RE: Petition Nonsubstantive Revision Request for Ownership Change of Injection Wells 4, 7 and 8

Dear Mr. Melancon:

This letter is in response to your November 11, 2015, notification of an ownership change for the Pontchartrain Site from DuPont to Denka Performance Elastomer LLC which occurred on October 31, 2015. The Agency agrees this change does not affect the recently approved petition reissuance demonstration and is a nonsubstantive revision. Therefore, the Agency has modified its files to reflect the ownership change mentioned above. The petition approval conditions of our October 22, 2015, reissuance are still in effect. If you have any questions or comments, please call Brian Graves at (214) 665-7193.

Sincerely yours,
